## Experienced B&S Manual CMM

**Sale Price**  
**\$14,995.00**

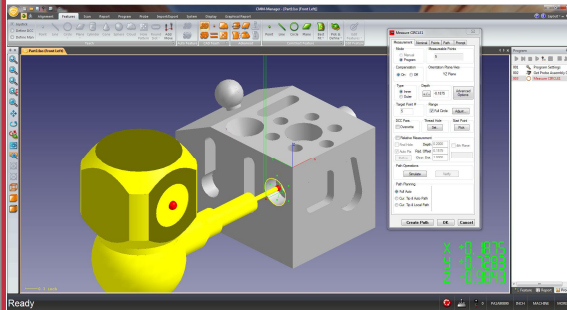

*Incredible Value!*

FOB—Winston Salem, NC

This CMM has gone through a complete refurbishment and put through our extensive testing process. It has a new PC and seat of CMM Manager Lite. The CMM Manager software allows for full alignment capabilities and can report with all Y14.5 GD&T requirements. It's available and under power at our Southeast Technical Center.

Crotts and Saunders Proudly Presents this refurbished Brown & Sharpe Manual CMM. This machine has been thoroughly gone through, upgraded to USB controller, and tested to meet our standards.
